

Daughters of Louada Sensation at the W. K. Barry & Sons farm, Bradford, Illinois.  
This firm is consigning 13 female lots.

# *“Sale of Satisfied Buyers”*

**KNOXVILLE, ILLINOIS**

**FAIRGROUNDS**

**TUESDAY, MARCH 8, 1960**

These deep bodied brood cows are a part of the H. L. Wernicke & Sons herd, Lena, Illinois. This well known firm has consigned to nearly every "Sale of Satisfied Buyers" since 1933.

## 68 LOTS

### 36 Bulls — 32 Female Lots

The largest number of bulls . . . and best selection . . . to be offered in Illinois this spring. Bulls good enough for the best registered herds . . . bulls for the commercial cattleman who wants to top the market. A beautiful selection of females, including 14 calves at foot.

**Consigned by Leading Herds from Four States—**

**Illinois — Wisconsin — Iowa — Missouri**

Cattlemen have invested nearly \$1,000,000 in purchases at past "Sales of Satisfied Buyers." Many good herds have been founded entirely on purchases made here. Breeders from nearly every state have patronized this sale, because here we offer cattle correct for your needs at prices correct for your pocketbook.

## General Information

**LOCATION**—The Knoxville, Illinois **fairgrounds**. There is a large, well lighted, completely enclosed show barn which will be used for the sale, and heat can be supplied if necessary. There is ample room for a proper display of the cattle. The sale will begin at 12 noon, C.S.T., Tuesday, March 8, 1960. Knoxville is just 6 miles from Galesburg, which is on the main line of the Burlington and Santa Fe railroads. Good truck facilities available.

**LUNCH**—Will be available at the sale.

**SALE HEADQUARTERS**—Hotel Custer, Galesburg, Ill.

**AUCTIONEER**—J. E. Halsey, Des Moines, Iowa and Lewis Marks, Abingdon, Ill.

**SALE MANAGER**—Don Longley, 16 So. Locust St., Aurora, Ill.

**TERMS**—The terms of this sale are cash at time of purchase. Settlements to be made with the clerk immediately following the sale. All stock will be at buyers risk as soon as bid off, but we will assist in loading and helping buyers obtain trucking or rail transportation.

**GUARANTEE**—All cattle will be sold under the Standard Guarantee of The American Shorthorn Breeders' Association. All cattle will be tested for T.B. and Bang's within 30 days of the sale, with the exception of officially vaccinated cattle under the minimum age or Federally accredited herds. Interstate health certificates will be provided for out of state buyers. **Since states differ on health regulations all buyers must be aware of the regulations in their own state.** Nearly all of the consignors in this sale practice calfhood vaccination.

A certificate of registration and a signed transfer will be supplied each lot sold properly transferred to the new buyer. Calfhood applications will be supplied for calves in dam. Where footnotes appear in the catalog they were furnished by the consignor or written from information supplied by the consignor. The terms shall constitute a contract between the buyer and seller of each lot.

While every effort will be made to protect the safety and comfort of those attending, the consignors, sale manager, clerk, auctioneer, owners of the fairgrounds cannot be responsible for accidents that may occur. Every person attending must assume the risk of injury to himself. The sale manager was retained for specific tasks promotional and clerical and has nothing to do with the condition of the premises, handling of the cattle, fulfillment of guarantees, or possible errors on the health charts.

**MAIL BIDS**—Those wishing to buy at this sale who cannot be present may send their bids to the Sale Manager, Don Longley, The Shorthorn World, 16 So. Locust St., Aurora, Ill.; or to either of the auctioneers. The person exercising the bid will assist the buyer in making trucking arrangements. If circumstances make it necessary, we will make arrangements to have the cattle moved to a farm for a few days following the sale, if it is a convenience to long distance buyers.

### —MEETING—

There will be a get-together, smorgasbord dinner, and short business meeting of the West Central Illinois Shorthorn Breeders' Assn. on Monday evening, March 7 at the Harbor Lights Supper Club.

Typical western Illinois Shorthorn scene. This uniform group of bred heifers is a part of the T. W. Gavin & Sons herd, Monmouth, Illinois. Always present in the "Sale of Satisfied Buyers" with a strong consignment, they are sending three females this year.

# When Does A Sale Become An Institution?

When year in, year out the cattle are so correct for the needs of customers that they rely on it as a source of supply vital to their herd operation.

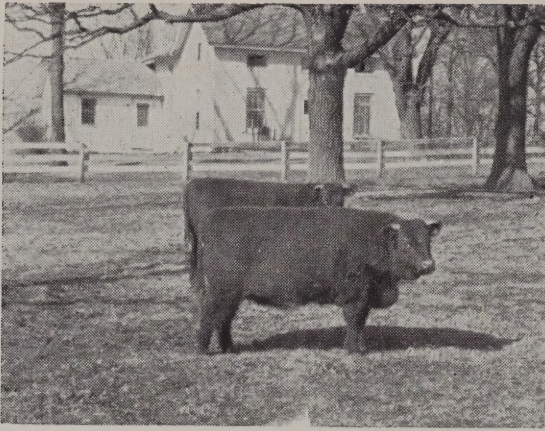

This sale was started back in the dark years of the early thirties. It was one of the first sales managed by my father, who started it as a means of rejuvenating Shorthorn activity in this important farm and livestock area. First, it was held at Galesburg, then for many years at Abingdon, and in recent years at Knoxville. Three times a year large offerings were presented. As many as 50 bulls were sold in each sale. Commercial cattlemen and purebred breeders began to rely on it to the extent they would buy a new bull here almost every year.

This sale was good to the consignors, too. They could bring a good one and get a fair price. A great sense of pride and accomplishment was felt by every person connected with the sale . . . and this feeling has continued to grow.

The healthy relationship that exists here between buyers and sellers has made this more than a sale . . . it has become a vital breed institution.

Don Longley,  
The Shorthorn World,

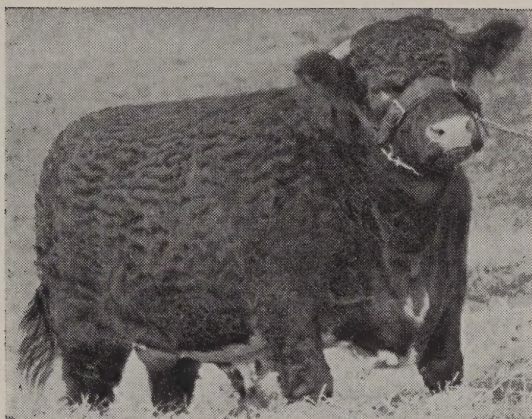

There are no territorial boundaries to this sale. Good cattle are accepted no matter from what state they come. Left, two daughters of Louada Fearless at The Hickories, Pardeeville, Wisconsin. Sixteen top lots in this sale come from Wisconsin.

BARONET'S CONTROL 3d—A rugged, thick bull ready to use.

# 36 BULLS

The largest and best selection of bulls to be offered in Illinois this spring.

Deep bodied, thick, cows like these are making Shorthorns increasingly popular with practical cattlemen everywhere. This scene was taken at the Arnold & Brooks, Shore Acres Farm, Sterling, Illinois. They are sending two bulls to this sale.

## Do They Have To Be “Show Fat” To Be Good?

The cattle in this sale are offered in good condition . . . the consignors are too good cattle-men to do otherwise. However, the cattle are never overdone.

If you are gifted with the ability to tell a good one in average flesh, you can make extremely advantageous purchases in this sale. It is evident there will be nothing on the American farm in the years ahead that will make more money than a good herd of Shorthorns. Right now . . . while prices are still moderate . . . is the time to fill your pastures.

Study the list of consignors . . . the pedigrees . . . the herd bulls in service . . . you will find the breeding in this catalog second to none. These cattle are all produced under ordinary farm conditions . . . with no special pampering . . . and are offered in exactly the right condition to make the most profit for you.

# 32 FEMALE LOTS

Royally bred females, many with calves at foot, offered in working flesh.

### 1959 Sale Average

Sale top (bull)	\$1,000
27 bulls	average 460
21 females	average 347

## **The Thirteen Lot Barry Consignment . . .**

W. K. Barry & Sons maintain one of the top quality herds of the breed. They have used four top bulls in a row: Bar Boy by Kirkton Baronet; Aldie Kinsman by Calrossie Adonis; Louada Sensation by Calrossie Armada; and now the \$7,000 Louada Pandean by Bapton Constructor.

They have chosen The "Sale of Satisfied Buyers" as their principal marketing place this spring. Since they are retaining a large number of heifers this year, they have reached down into their select cow herd and are offering thirteen top female lots, many with calves at foot. This consignment has added unusual female strength to this year's Sale of Satisfied Buyers.

Scene taken at Louada Farms. The cow on the left is Beaufort Norah Broadhooks, one of two imported daughters of the great Scottish champion, Beaufort Commodore that W. K. Barry & Sons are selling. See Lots 37 and 38.

INNESS ROAN LADY 136 B1—A junior calf that should go on to make a top show heifer and the kind of brood cow everyone needs. She placed 12th in a strong junior calf class at the International Livestock Show. Her dam is of the good Roan Lady family that has produced so many of our show cattle. Whitehall Everlasting is the bull we bought in the Knoxville sale. We have several calves by this bull, all displaying the ruggedness, depth and breed character of Burnton Everlasting. Calfhood vaccinated.

Scotsdale Lyttleton, the powerful bull that now heads the Inness Farms herd. Lot 61 is bred to him.

## SHORTHORNS . . . MORE POUNDS . . . MORE DOLLARS

These ten Shorthorns won the reserve championship for Illinois in the state ten-head contest at the International. From left to right the steers are owned by David Cox, Wyoming; Jim Down, Wyoming; Sheldon Livengood, Milledgeville; Diane Rahn, Lanark; Bob Inness, Galesburg; Roy Ayers, Jr., Mendota; Steve Land, Ridgefarm; Leon Martin, Avon; Jerry Down, Wyoming, and David Cox, Wyoming.

The picture above tells a powerful story. Each year at the International the various states pick ten head of steers from their junior exhibitors and show them as a group. Naturally, these ten head groups contain steers of different breeds. However, in 1957 the entire ten head group selected for Illinois were Shorthorns . . . and these were the reserve champion ten head state group of the show.

Nine of the ten steers came from the Galesburg area . . . the area that has been serviced by "The Sale of Scitified Buyers" for nearly thirty years. This is conclusive evidence that the quality of the Shorthorns in this section is right up at the top of the nation.
